DGHR confirmed that there are very few employees who have chosen that option, and that there will be assignments identified for them.</li> </ul> <p><u>Action Item:</u> DG Field Operations will communicate to UVAE the specific work assigned for priority employees, by location.</p> <ul style="list-style-type: none"> <li>•                    UVAE requested to see the breakdown of how work in WFA-affected areas has been re-assigned. ADM SD confirmed that it varies, depending on the type of work that has been re-organized.</li> </ul> <p><u>Action Item:</u> ADM SD to work with HR to provide that information to UVAE, broken down by area.</p> <ul style="list-style-type: none"> <li>•                    ADM SD noted that looking at more efficient ways to process current TAC workload, this would include through third party provider. The new contract, when awarded, will address TAC workload.</li> <li>•                    DGHR and ADM SD confirmed that there would be no more waves of WFA resulting from any further changes. For example, any future office lease terminations will be dealt with through the normal tendering process.</li> <li>•                    The Committee discussed the need for ongoing in-house mediation. Bargaining agents confirmed that there is still a demand for conflict management, and the process for getting external mediators causes delays. DGHR asked to have any concerns brought to his attention.</li> <li>•                    PIPSC mentioned concerns that changes in business priorities mean very few new project opportunities for staff.</li> <li>•                    The next meeting is scheduled for August 29.</li> </ul>	<p>Charlotte Bastien</p> <p>Keith Hillier /Don Love</p>
